

Hornets Nest

Sign On Days...

Sign on Days went off without a hitch and we saw lots of old and new members come down to sign on for the 2018 year. We would like to extend a very warm welcome to all our new families. We hope you love our club as much as we do.

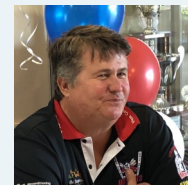

2018 Muster Day U6-U10...

We had lots of happy smiling faces join us for Muster Day on Saturday 17th February. Everyone had a great time meeting all their new team mates for the 2018 footy season. If you could not make it to Muster Day, come and see us at the office and we will let you know who your coach is and when you start training.

Committee Member Profile

Kieron Luck
Club Vice President

Kieron Luck has been around our club since he was a kid. He played here and he now coaches his son's team.

Kieron's dad, Keith was one of the founding members of our club and with a number of other wonderful people put up a personal guarantee to get funds to keep our club going through the tough early days. Our main field is named after Keith in appreciation for his generosity to our club.

Kieron and his wife Kim, who is also a committee member this year, have three kids. You will often see them running the sidelines as ball kids for our finals and opens games.

Kieron has held a number of positions in our club from coach to league safe. He cooks a mean BBQ Kransky up on the hill for big game days and he loves a beer and a yarn with the old boys.

Kieron and Kim own KTL Air Conditioning and are one of our major sponsors this year. Please consider KTL for your air conditioning needs as we like to give back to those who support our club.
